We're lookin' at the top 20 in this category to accommodate the larger number of entries. There were a few upsets in the top ten as QSL's began showing up from the latest new countries. I did not get the report from Bob, W6CN, but noticed his score in the ladder that moves him into first place. Everyone should send me your updates when those cards come in so you won't get left in the dust. There's still plenty of room for a shakeup in second ten, so you guys get out there and have some fun.

These scores were based on your direct reports and the club ladder, whichever was most current.

Each month, we will publish a top ten list for one of the lesser-recognized but hard won categories. Coming up next, CW, 10/40M and 80/20M. Please send me your totals for each band throughout the year and you will be listed in coming months. Use the convenient form at <http://www.sddxc.org> or bring 'em to the meeting.

CHECK YOUR LOGS

It's time once again to recognize those of you who have made outstanding DX achievements during the year. Please check your logs and let me know if you worked your 328th current country or more than 20 all time new countries during 2005. Send your totals to

San Diego DX Club Policy on content of

DX Bulletin and/or E-mail Reflector

The San Diego DX Club, a group of Amateur Radio operators, interested in the art of DXing, publish a monthly newsletter, and maintains an e-mail reflector where members and officers can post information of interest to other members. The E-mail reflector is NOT an official club reflector. The reflector was created for club use, but it is privately owned.

Our policy is to print and/or post only information that is related to Amateur Radio, and not items of a political or religious nature, unless it has an impact on Amateur Radio, such as antenna ordinances, etc.

If a member wishes to have printed/posted any topic that is not Amateur Radio related, they can submit a copy to the club newsletter editor, webmaster, e-mail reflector moderator or any club officer, and the matter will be discussed and decided upon by the Board of Directors. **No PERSONAL attacks** will be allowed in either the newsletter or on the reflector.

Submissions are due on the 1st Friday after the 2nd Wednesday of each month!!

MEETING MINUTES

September 26, 2007

The San Diego DX Club held its regular monthly meeting on Wednesday, September 26, 2007 at the Sizzler Restaurant, Aero Drive and Murphy Canyon Road, The President Paul, WN6K called the meeting to order at 7:05 p.m. There were 25 members and guests present.

President Paul, WN6K announced the definitive date of the annual Holiday Party as Saturday, December 1, 2007 at the home of Wayne Zimmerman, NN6R. Details will be forthcoming soon.

John, K6AM announced the Top Ten for Phone operation. Leading the pack was Bob Cobb, W6CN of Fallbrook.

The DX Roundtable was filled with talk about the recently completed DXpedition to St. Brandon Island, 3B7C and their online logs. We hope to have Bob, N6OX give us more information at our next meeting.

Treasurer Harry, W6YOO stated that we would begin collecting 2008 dues at our October meeting.

PROGRAM:

The evening's program was presented by Dick Norton, N6AA, the ARRL Southwestern Division Director.

Dick talked about cost cutting measures taken by the League, increased membership, BPL, and antenna ordinances among other subjects.

According to Dick, advances in technology may render BPL not economically viable although that remains to be seen. Further, a number of lawyers are volunteering their time to represent those Hams facing restrictive antenna ordinances in communities such as Palmdale.

ADJOURNMENT;

There being no further business, the meeting adjourned at 9:00 p.m.

Respectfully Submitted,
Harry Hodges, W6YOO
Secretary/Treasurer

DUES, DUES, DUES

Dues are still only TEN dollars per year and may be paid in cash or check at any club meeting or by mail to SDDXC, 2435 Our Country Road, Escondido, CA 92029. Let's get ahead of the pack for next year. Multiple year dues are encouraged.

For the next few months, until the picture supply runs out, we will publish photos from Bill Denton NG6Z's trip to Africa.

Of course, if you have pics from DX sites, send them our way.
